The 13th Waugh's Well on the 13th of the month – would it be unlucky? Well for the first time in the history of this race it looked like the weather would let us down. After such a hot, dry period, the clouds gathered and at 4.30 pm it started to rain. Should I have moved the race from its usual slot of first Tuesday of June (to avoid a clash with Paddy's Pole)? I was beginning to think I shouldn't have until the clouds cleared for a fine evening, in fact it created perfect conditions – cooler and fresher with a light wind.

Darren Kay (Horwich) obviously enjoyed this, retaining his title in 29.19 – 25 seconds faster than last year but still 24 seconds shy of Andy Wrench's record set in 1998. Following close behind was team mate James Logue in 29.57. Alex Whittam (Todmorden) knocked over 2 minutes of last year's time to finish 3rd in 31.33. First Vet 40 home was Alan Life of Clayton in 33.34 and 4th overall. Young Phil Bolton, a Junior, had an excellent run finishing 5th overall and leading Rossendale to the Team Prize with 32 points. Roy Lee of Middleton reduced the V70 record by 7 seconds to 51.33.

Vanessa Peacock (FV50), a regular competitor here, had to settle for second place, just over half a minute behind team mate Cath Wilson who finished in 38.20. My apologies to Clayton Ladies, I awarded the Team prize to Radcliffe but on checking the results and recalculating the team positions, Clayton actually won by 2 points! Sorry, I will ensure you receive a 'little something' and Radcliffe, hope you enjoyed the chocolates!

As ever, I must thank all those who support and help at this event with special mention for: Jeff, John and Dave for flagging and marshalling the course and Pete for 'sweeping', Chris and Barbara on registration and results, Leftie, Karen and Helen on the finish, my children (Dan and Becky) with their friends on car parking, drinks and the hosepipe, the Ladies of Bleakholt Animal Sanctuary for refreshments and last but not least, Rossendale Search and Rescue Team. The Team regularly turn out to support this race and this year they assisted two competitors who unfortunately suffered a twisted knee and ankle respectively.

One final note, a bum bag containing full body cover, whistle and compass was left at the start/finish area; please contact me to claim - tel no 01706 824097.
