

GENERAL TERMS AND CONDITIONS OF INSURANCE (AVB) E533

INFORMATIONS FOR THE INSUREE

EUROPÄISCHE Reiseversicherungs AG with registered office in Basel is the insurer pursuant to the general terms and conditions of insurance (AVB).

The starting and expiry dates of the insurance contract, the insured risks and benefits and the premiums are shown on the electronic application form and in the accompanying AVB.

The AVB and the statutory provisions provide information on the principles governing the payment and refund of premiums and further obligations of the insuree.

Data processing is used for the conduct of insurance business and for all accompanying transactions. Data are gathered, processed, stored and deleted in compliance with the statutory provisions and may be disclosed to reinsurers, official bodies, insurance companies and institutions, central information systems of the insurance companies and other parties who may be involved.

The specific insurance contract remains the determining factor in every case. In case of doubt, the German version of the general terms and conditions of insurance (AVB) will have exclusive validity.

1 GENERAL PROVISIONS

1.1 Insured persons

A The lawful holder of the Datasport insurance comprising the confirmation of participation and these AVB is insured. This provision likewise applies if a group has been registered.

1.2 General exclusions

The provisions of the Insurance Contracts Act VVG and Swiss law shall apply.

1.3 Claims on third parties

If the insured person has been compensated by a liable third party or by such party's insurer, benefits under this contract shall lapse. If a claim has been made to EUROPÄISCHE instead of to the liable party, the insured person must assign his civil liability claims to EUROPÄISCHE in an amount equivalent to its expenditure.

1.4 Further provisions

A The place of jurisdiction for the claimant is his Swiss place of residence or the registered office of EUROPÄISCHE in Basel.

B Benefits wrongfully obtained from EUROPÄISCHE shall be refunded to it, together with all resulting disbursements, within 30 days.

2 CANCELLATION COSTS

2.1 Special provisions, scope of application, period of application

The cancellation cost insurance is valid only if it is taken out in conjunction with the online registration. The insurance cover applies worldwide and begins at the time when the definitive booking is made and ends at the start of the event (start signal).

2.2 Insured events

A EUROPÄISCHE provides insurance cover if the insured person is unable to take part in the event by reason of any of the following occurrences, provided that such occurrence happened after the insurance was taken out:

- unforeseen serious illness, serious injury, serious complication of pregnancy or death of the insured person, an accompanying person, a non-accompanying person who is very close to the insured person or his substitute at the workplace making the presence of the insured person at the workplace essential;

- pregnancy of the insured person, if the date of the event is after the 24th week of pregnancy or if the event would present a risk to the unborn child;
- severe damage to the property of the insured person at his place of residence by fire, storm, theft or water damage, so making his presence at home indispensable;
- failure or delay by technical fault of the licensed public means of transport to be used to reach the starting venue.

B If a group member is unable to attend because of an insured occurrence, the other members may claim benefits only if they are relatives or relatives-in-law of the person concerned.

C If an insured person suffers from a chronic illness without participation in the event being called into question by such illness at the time when the insurance is taken out, EUROPÄISCHE shall pay the resulting insured costs if participation has to be cancelled because of a serious acute deterioration of this condition or in the event of death as a consequence of the chronic illness.

2.3 Insured benefits and compensation

A The extent of entitlement to benefits is determined by the nature of the event causing the cancellation of the participation. Previous or subsequent events are not taken into consideration.

B EUROPÄISCHE reimburses the cancellation costs which are effectively incurred or are payable by contract if the insured person is unable to take part in the booked event because of the insured occurrence. In total, however, this benefit is limited by the participation fee paid to a maximum of CHF 350.–. If the starting position cancelled by the insured person is sold on to another participant, there exists solely a claim to the transfer fees.

2.4 Exclusions

Benefits are excluded:

- if the organizer cancels the event;
- if the condition which gave rise to the cancellation was a complication or a sequel of an operation that was already planned at the time when the insurance began;
- in the event of cancellation pursuant to Section 2.2 A a) without a medical indication or if the medical certificate is issued later than 48 hours after cancellation occurs, even if this is caused by an insured event;
- if the cancellation occurs due to a training deficit, even if this is caused by an insured event;
- as a result of any kind of cheating or malpractice.

2.5 Claims

- The following documents must be submitted to EUROPÄISCHE:
 - evidence of payment of the participation fee and of taking out the cancellation cost insurance (e-mail confirmation from Datasport),
 - a detailed medical certificate (including diagnosis) or a death certificate or other official attestation.

b) Unless otherwise indicated in advance by the insured person, the claim shall be settled by the issue of a Datasport voucher. The direct right to make a claim is vested in every case in the insured person.
