

**Ryanair Flights** from Liverpool to Venice are on Thurs, Tues and Sat. Arrival back in Liverpool is at 11:30pm. Therefore for a Saturday race, we would need to travel out on Thurs and return Tues. The cost appear to be £50 return, which rises to about £112 when taxes are included (I wouldn't be surprised if the actual cost is higher when the booking process is complete).

**Easyjet flights** from East Midlands are cheaper and there are more dates to choose from. cost £62 + £16 for a suitcase (in addition to hand luggage). Details:
